

Independence, Technology, and YOU! Assistive Technology & Transition Conference

Hosted by Sources, Inc.
Wednesday April 11, 2012
9AM - 3PM
Jones Center in Springdale

Topic of the conference is information and knowledge about Assistive Technology and Transition services in Arkansas. This event is an opportunity to develop solutions to the **key challenges in building capacity for accessible technology**.

Each workshop should last approximately 45 minutes. **Lunch will be provided!**

Please RSVP by March 30, 2012.

Kirstin Morgan, M.S., C.R.C.
(479) 442-5600
kmorgan@arsources.org
Howard Funkhouser, M.S., C.R.C.
(479) 442-5600
hfunkhouse@arsources.org

Hear what your colleagues in accessibility have to say about this and share your thoughts!

We look forward to your involvement with this conference!

***Pass this along to others, post it, tweet it, and help spread the word!
Together we can make substantive change for all!***
